WORLD SPAY DAY 2020

Shortly before the COVID pandemic and like every year in February, we took part in "World Spay Day" (https://en.wikipedia.org/wiki/World_Spay_Day). This is actually the last Tuesday in February, but you can offer any activity at any time in February to improve the awareness of dog and cat owners that birth control is extremely important, especially in countries where our pets have free exit. In other words: dogs and cats are allowed to roam freely and if they are not spayed/neutered, you can calculate for yourself how many puppies will be born most of them unwanted!

Our event was on Wednesday, February 19, 2020 and we spayed/neutered 64 stray cats (34 females and 30 males) free of charge. The vets, the volunteers and employees, and of course the care takers of the cats are very proud of this result, as tens of thousands of births are prevented. But just read for yourself how the "Spay Team" of the Lega Pro Animale works on such a day (www.legaproanimale.com)

Dear Supporter,

LEGA PRO ANIMALE are trying to maximise all funds donated. British citizens can make their donation go further by sending it via AISPA, the Anglo-Italian Society for the Protection of Animals. The major benefit is that they can claim 25% tax back via the Gift Aid Scheme. Clearly, this substantially increases your gift to us. If you become an annual member (minimum £3), AISPA donates a free spay/neuter to any Italian animal. Live membership is only £50. AISPA was founded in 1952 and, in addition to LEGA PRO ANIMALE, supports around 30 other sanctuaries in Italy. If you decide to help through AISPA, please make your cheques out to them (AISPA), but also add a note saying that the donation is specifically for LEGA PRO ANIMALE. AISPA will send the necessary Gift Aid form.

Is an Italian non profit association (registered with number 008/A in the register of the animal protection organisations at the the Region of Campania). Its **MISSION STATEMENT** is that each dog and cat needs a caring owner (no more dogs and cats living permanently in the streets and in overcrowded shelters).
